

SensorManager::isDataAvailable

```
graph LR; A[SensorManager::isDataAvailable] --> B[Logger::debug]; B --> C[Logger::log];
```

A flowchart illustrating a sequence of three operations. The first operation, 'SensorManager::isDataAvailable', is contained within a gray rectangular box. A blue arrow points from this box to a white rectangular box containing the second operation, 'Logger::debug'. Another blue arrow points from the 'Logger::debug' box to a final white rectangular box containing the third operation, 'Logger::log'. All boxes have a thin black border.

Logger::debug

Logger::log
